

Attachment

Multi-Function Clip for 1/2", 5/8" Threaded Rod

Provides a mounting base for quickly and easily fastening cable management hardware to threaded rod

Features:

- Spring steel for flexibility
- Universal design allows for use with a multitude of cable management hardware
- Designed with a spring action that holds management hardware tightly in place after installation
- Ideal fastener for j-hooks & bridle rings in above ceiling applications
- 1/4" hole size
- Tapped with 1/4-20 and 10-24 thread
- Easy adjustment after installation
- UL & CUL listed

Application:

- Provides base support for 1/4-20 and 10-24 bridle rings, j hooks, electrical boxes, conduit and other cable management hardware

Installation:

- Attaches to 1/2", 5/8" threaded rod
- No tools required for installation
