

Winnie Industries

MANUFACTURER OF FASTENING SUPPORTS

Magnetic

Magnetic Bridle Ring

Strong, fast and cost-effective alternative cable management solution for network cable pathway applications

Features:

- Exceptional strength neodymium rare earth magnet provides a secure hold onto any ferromagnetic surface
- Ring crafted from cold-rolled, low-carbon steel enhancing wear resistance
- Quick & easy to install without specialized tools and equipment
- Short standoff brings the bridle ring closer to the magnet making for a stronger hold
- Protective steel cup directs magnetic field to fastening surface increasing magnetic pull force
- Sticks through oil, grease, and dirty areas
- Magnets will not interfere with ethernet or wi-fi signals
- Cost effective alternative to expensive cable tray
- Provides support for CAT5e/CAT6 category cable, low-voltage wire, coax, signal & control cable and electrical wire up to 600V
- Suitable for use in air handling systems (plenums) in accordance with Section 300.22 (C) and (D) of the National Electric Code
- UL & CUL listed

Application:

- Provides support in the distribution of wire & cable bundles
 - Network/Data
 - Telecom/Voice
 - Broadband, Satellite, CCTV
 - Low Voltage/Security/Fire Alarm
 - Signal/Control Cable
 - Electrical Wire

Installation:

- Secures to steel beams, ceiling decks, sheet metal, metal joists & other ferromagnetic surfaces
- Use for horizontal or vertical cable runs

Part Numbers

Part #	Description	Box Qty	12-digit UPC
WBR075MAG	3/4" Magnetic Bridle Ring, 26 lb Magnet, Short Stem	100	811443030581
WBR075MAG-10	3/4" Magnetic Bridle Ring, 26 lb Magnet, Short Stem, Retail Bag, 10 Pk	10	811443033070
WBR075MAGBK	3/4" Magnetic Bridle Ring, 26 lb Magnet, Short Stem, Black	100	811443031397
WBR075MAGBK-10	3/4" Magnetic Bridle Ring, 26 lb Magnet, Short Stem, Black, Retail Bag, 10 Pk	10	811443033117

- | Permanent fixation but still provides the flexibility to be repositioned where needed |
- | Can be used on walls and ceilings, making them ideal for multi-directional cable runs |
- | Designed with an open loop for easy cable installation |
- | Extremely strong, versatile, reliable, and durable in a slim profile design |
- | No tools needed, simply attach the magnet to a metal surface and run cables |
- | If using a bridle ring with high performance data cable a saddle is required to ensure proper bend |
- | Non-continuous supports may not exceed spacing of 5' per TIA 569-C.9.7 |

WBR200SDLMAG	2" Magnetic Bridle Ring, 100 lb Magnet, Saddle
WMAG26HK	26 lb Magnetic Mini Hook
075GRIPTAPE	.75" Self-Gripping Tape (Hook & Loop), 75 Ft Roll, Black
WMAG26	26 lb Counterbored Mounting Pot Magnet

Magnet Specifications:

- Size: 23.2mm x 4.5mm
- Mounting Hole: 5mm
- Grade: N45M
- Magnet Plating: NdFeB
- Temperature Tolerance: -40°F – 212°F (-40°C – 100°C)
- Cup: Nickel-plated steel
Black powder-coated steel

- ✓ Personal & Friendly Customer Service

Safety:

- Please handle neodymium magnets with care
- Keep neodymium magnets away from anyone with a pacemaker
- Magnets are not toys and should be kept away from children and pets
- Large powerful magnets can pinch your fingers or cause other injuries, use caution
