

Winnie Industries

MANUFACTURER OF FASTENING SUPPORTS

J Hook System

J Hook Rolling Clip

Reduces pull tension, protects cable integrity, and ensures smooth, slip-free installations

Features:

- Crafted from heavy-duty pre-galvanized steel for exceptional durability
- Reduces strain and protects cable integrity by minimizing pulling tension during installation
- Maintains cable stability and streamlines installation by preventing slippage and bounce during cable pulls
- Pivots to adapt to dynamic cable movement and elevation changes without compromising support
- Designed for quick, efficient installation that meets industry standards without sacrificing support or cable protection
- Quick & easy to install without specialized tools or equipment
- Compatible with all WJH Series 1-5/16", 2" or 4" J Hooks

Application:

- Maintains cable stability and streamlines installation by preventing slippage and bounce during cable pulls

Installation:

- Snaps directly into compatible j hook with no tools required

Part Numbers:

Part #	Description	Box Qty	12-digit UPC
WJH125ROLL	1-5/16" J Hook Rolling Clip, 10pk	10	811443034152
WJH200ROLL	2" J Hook Rolling Clip, 10pk	10	811443034176
WJH400ROLL	4" J Hook Rolling Clip, 25pk	4	811443034190

The Rolling J Hook Retaining Clip is designed to pivot slightly, allowing it to adapt to dynamic cable movement and elevation changes without compromising support. This flexibility helps maintain cable integrity and streamlines installation by preventing slippage or bounce during pulls.
