

Winnie Industries

MANUFACTURER OF FASTENING SUPPORTS

Magnetic

1/4-20 Threaded Magnet Mount 100lb

Dependable magnetic mounting solution engineered for lasting, seamless placement and secure retention

Features:

- Multi-functional magnetic component used for holding and positioning hardware and fixtures
- Super-strong neodymium rare earth magnet provides a secure hold onto any ferromagnetic surface
- Permanent fixation but can easily be reused and repositioned offering maximum flexibility
- Maintains adhesion even when exposed to oil, grease and dirt
- Durable 1/4-20 threading
- Magnet will not interfere with ethernet or Wi-Fi signal
- Long-lasting performance across multiple applications

Application:

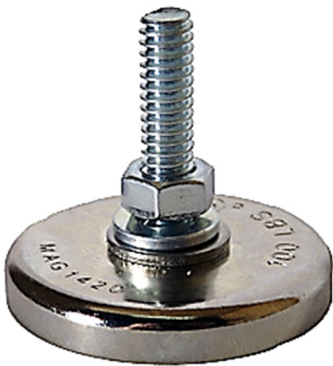

- Hold, clamp and/or position tools, fixtures, equipment, sensors, lights, cameras, display panels, signs and more

Installation:

- Simply position the magnet onto cabinets, electrical boxes, security enclosures, steel beams and other ferromagnetic surfaces
- Attach hardware to threaded stud or attach magnet to hardware with screw
- No drilling, adhesives, or specialized tools required

Specifications:

- Magnet Size: 53 x 10mm
- Holder Size: 9.5mm x 19mm; Slot: 22.7mm
- Magnet Grade: N35
- Material: Nickel (NiCuNi)
- Temperature Tolerance: -40°F - 176°F (-40°C - 80°C)
- Cup: Nickel-plated steel

Part Numbers

Part #	Description	Pkg Qty	12-digit UPC
WMAG14204TM	100 lb 1/4-20 Male Thread Magnet Mount, Nut	20	811443038044
WMAG1420438	100 lb 1/4-20 Magnet Mount, 3/8" Screw	20	811443038051
WMAG1420412	100 lb 1/4-20 Magnet Mount, 1/2" Screw	20	811443038068

- | High-quality, compact neodymium magnet with super-strong adhesive force |
- | Protective steel cup directs magnetic field towards surface increasing magnetic pull force |
- | Nickel-plated steel cup provides excellent wear resistance & hardness |
- | Comes with washers and a nut or screw for effortless fixture attachment |
- | Hundreds of uses for sporting, household, industrial and commercial |
- | Great for creative DIY projects where a strong hold is essential |
- | Ideal for use in workstations, classrooms, offices, warehouses, factories |
