Magnetic

Magnetic Cable Tie Mount 16lb

Innovative solution that effortlessly secures & routes cables using cable ties with a strong 16lb rare earth magnet, making installation a breeze

Features:

- Exceptional strength neodymium rare earth magnet provides a secure hold onto any ferromagnetic surface
- Protective steel cup directs magnetic field upwards increasing its magnetic pull force
- Fits standard cable ties up to 0.19" (4.8mm) wide
- Zinc-plated cup provides corrosion resistance
- Sticks through oil, grease, and dirty areas
- Magnets will not interfere with ethernet or Wi-Fi signals
- Provides the flexibility to be repositioned where needed
- Extremely strong, versatile, reliable, and durable in a slim profile design
- Polymer cleat is strong and plenum rated for use in air handling systems
- Black cleat is UV resistant to avoid degradation caused by ultraviolet rays
- Long-lasting performance in a variety of applications

Application:

- Secure and route wire & cable
- Specifically designed to conceal cables within I-beams & structures, it ensures a quick, neat and streamlined setup

Installation:

- Attaches to steel beams, metal joists, electrical boxes, security enclosures and other ferromagnetic surfaces

Specifications:

- Size: 19mm x 4.5mm
- Mounting Hole: 5mm
- Grade: N45M
- Magnet Plating: NiCuNi
- Temperature Tolerance: -40°F - 212°F (-40°C - 100°C)
- Cup: Zinc-plated steel

Part #	Description	Box Qty	12-digit UPC
WMAG16CTUV	16 lb Magnetic Cable Tie Mount, UV, Black	100	811443030659
WMAG16CTUV-10	16 lb Magnetic Cable Tie Mount, UV, Black, Retail Bag, 10 Pk	10	811443032950
WMAG16CTWH	16 lb Magnetic Cable Tie Mount, White	100	811443030635
WMAG16CTWH-10	16 lb Magnetic Cable Tie Mount, White, Retail Bag, 10 Pk	10	811443032967

- | High-quality, compact neodymium magnet with strong adhesive force |
- | Gain time & save money in addition to ease by applying magnets to your application |
- | Protective steel cup directs magnetic field towards surface increasing magnetic pull force |
- | Use in place of adhesive stickybacks, allowing for easy, quick installation with no mess |
- | Quickly and safely secure your cable runs anywhere you can stick a magnet |
- | Corrosion resistant makes them ideal for outdoor and high-humidity environments |
- | Excellent for optimizing and organizing space anywhere |
- | Ideal for use in workstations, classrooms, offices, warehouses, factories |

- ✓ Personal & Friendly Customer Service

Consult & follow local codes and practices

Safety:

- Please handle neodymium magnets with care
- Keep neodymium magnets away from anyone with a pacemaker
- Magnets are not toys and should be kept away from children and pets
- Large powerful magnets can pinch your fingers or cause other injuries, use caution
