

Winnie Industries

MANUFACTURER OF FASTENING SUPPORTS

Magnetic

Magnetic Multi-Purpose Mini Hook 26lb

Amazing strength, cost-effectiveness, and versatility make them ideal for countless holding, mounting, and positioning applications

Features:

- Exceptional strength neodymium rare earth magnet provides a secure hold onto any ferromagnetic surface
- Protective steel cup directs magnetic field upwards increasing its magnetic pull force
- Zinc-plated cup provides corrosion resistance
- Sticks through oil, grease, and dirty areas
- Magnets will not interfere with ethernet or Wi-Fi signals
- Provides the flexibility to be repositioned where needed
- Extremely strong, versatile, reliable, and durable in a slim profile design
- Long-lasting performance in a variety of indoor & outdoor applications

Application:

- Heavy-duty holding or mounting applications for tools, cables, cords, utensils, decorative lights and so much more
- Ideal for use in office, school, factory, warehouse, basement, kitchen, garage, cruise cabins, etc

Installation:

- Secures to appliances, steel cabinets, lockers, machinery, warehouse racks or other ferromagnetic surfaces
- No installation tools required
- Use in horizontal or vertical installation

Specifications:

- Size: 23.2mm x 4.5mm
- Grade: N45M
- Magnet Plating: NdFeB
- Temperature Tolerance: -40°F - 212°F (-40°C - 100°C)
- Cup: Zinc-plated steel

Part Numbers

Part #	Description	Box Qty	12-digit UPC
WMAG26HK	26 lb Magnetic Multi-Purpose Mini Hook	100	811443032578
WMAG26HK-10	26 lb Magnetic Multi-Purpose Mini Hook, Retail Bag, 10 Pk	10	811443033209

- | High-quality, compact neodymium magnet with super-strong adhesive force |
- | Hang anything from cables to tools |
- | The steel pot increases the force of the magnet giving it an incredible hold for its size |
- | Gain time and save money in addition to ease and safety enhancements by applying magnets to your application |
- | Ideal for use in workstations, classrooms, offices, warehouses, factories |
- | Organize your workspace for safety and efficiency |
- | Hassle-free installation, maximize space without the need for drilling |
