

Winnie Industries

MANUFACTURER OF FASTENING SUPPORTS

Magnetic

Ultra Heavy-Duty Mounting Magnet

Extremely strong, versatile, reliable, durable and cost-effective solution for holding, mounting and positioning on THIN metal

Features:

- Permanent nine-pole charged rare earth neodymium magnet
- Exceptionally strong when compared to conventional neodymium pot magnets
- Vertical pull force up to 150 lb on sheet metal
- Due to the intense magnetic attraction at the surface, will not easily slide like other magnets
- Black epoxy coating provides corrosion resistance
- Powerful grip packed into a thin profile
- Sticks through oil, grease and dirty areas
- Provides the flexibility of being permanent or repositionable
- ¼-20 threading enables the attachment of a wide variety of brackets, hooks and other holding attachments
- Screw stopping feature
- Long-lasting performance in a variety of demanding indoor and outdoor conditions

Application:

- Secure temporary lights, signs, fixtures, hardware tools, etc

Installation:

- Secures to steel beams, ceiling decks, sheet metal, metal joists, van walls & other ferromagnetic surfaces
- **Engineered for max attachment to thin metal**

Specifications:

- Size: 2" x 3/8" (50.8mm x 9.5mm)
- Threaded Hole: ¼ x 20
- Vertical Pull Force: 150 lb
- Coating: Epoxy
- Material: Magnet: Neodymium (NdFeB)
Fender Washer: Steel
- Temperature Tolerance: -40°F - 176°F (-40°C - 80°C)

engineered and manufactured to make installs easier

Part Numbers

Part #	Description	Box Qty	12-digit UPC
WUMAG-1420UHD	150lb Ultra Heavy-Duty Mounting Magnet, UHD	100	811443033230
WUMAG-1420UHD-5	150lb Ultra Heavy-Duty Mounting Magnet, UHD, Retail, 5pk	10	811443032912

- | Suitable for all indoor and outdoor holding and fastening applications |
- | Ideal for holding workpieces, securing tools or positioning equipment with flexibility and ease |
- | Engineered to hold to ferromagnetic surfaces thinner than 1mm |
- | Epoxy coating provides outstanding chemical resistance, durability, and toughness |
- | Corrosion resistant makes them ideal for outdoor or marine environment |
- | Hundreds of uses in sporting, household, industrial and commercial applications |
- | Completely hide from view, making them ideal for applications where aesthetics is important |

Uses

Applications	
Marine	Agricultural Industry
Car Lifts	Routing Conduit
Trailer & Car Frames	Routing Low Voltage Wire
Retail Signs	Holding Tools to Work Bench
Warehousing & Forklifts	Holding Temporary Wiring
Holding Sensor Wiring on Tooling	Healthcare
Securing Hydraulic Lines	Stage, Theater & Concerts
Automation Robotics	Solar Steel Structures
Transportation Industry	Wind Turbines
Renewable Energy	Oil & Gas Rigs
Hydrogen Fuel Facilities	Arts & Crafts
Bulk Tanks & Storage Silos	And Much More

Use With		
Plenum Ceilings	Electrical Boxes	Communication Towers
Access Control Panels	Enclosures	Building Service Entrance
Bar Joists	Wire Baskets	Ceiling Deck Pans
Walk In Coolers	Strut Channels	Raised Floors
Walk In Freezers	Inside Panels	Cable Trays
Drop Ceiling Grid	Outside Panels	Steel Beams
Pallet Racks	Machinery/Presses	Metal Studs
Data Racks	Data Cabinets	Sprinkler Pipes

Nothing else on the Market Compares
