BRIDLE RINGS

Your fast and cost-effective alternative cable management solution for network cable pathway applications

Bridle rings are ideal for voice, data, low voltage, video or control cable
Our products are engineered and manufactured to make installs easier

- Crafted from heavy-duty, zinc plated steel which allows for durability & corrosion resistance
- Available in 1.25", 2" and 4" ring diameter (with or without saddle*)
- Designed with an open loop for easy cable installation
- Can be used on walls or ceilings, making them ideal for multi-directional cable runs

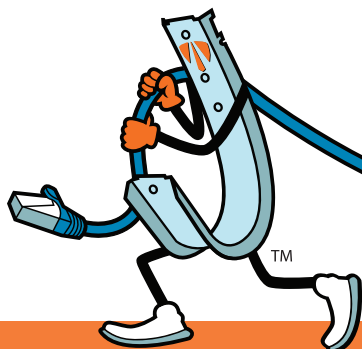

INTERCHANGEABLE POSITIONING HARDWARE

*2" and 4" only
