Versatile, value-driven cable support solution for data centers and commercial applications, accommodating category cable, low-voltage wire, fiber cable, control cable, and innerduct

WJH Series J Hooks

Cable management solution for data centers, connected buildings, commercial, & industrial cable pathway applications

- Cost-effective alternative compared to using cable tray or ladder rack
- Constructed from heavy-duty pre-galvanized steel for durability
- Smooth, rounded edges maintain proper cable bending radius
- Engineered for stress-free installation—saves time and labor
- Bolt & locknut construction allows for easy field modification
- Bendable tab secures wire on 3/4" j hook
- Retaining clip included with 1-5/16", 2", and 4" j hook
- Compliant with NEC and TIA/EIA structured cabling standards
- UL & CUL Listed
