

Winnie Industries

MANUFACTURER OF FASTENING SUPPORTS

T BoxTM Electrical Junction Box

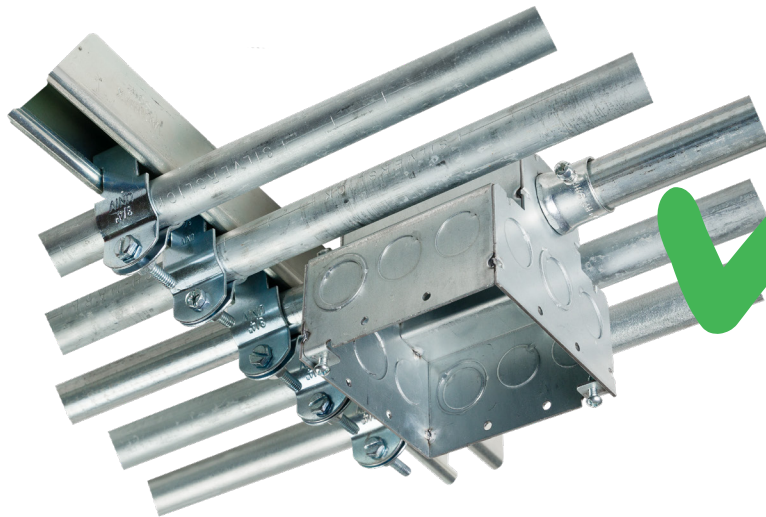

**Eliminate
offsets**

**Extra
capacity**

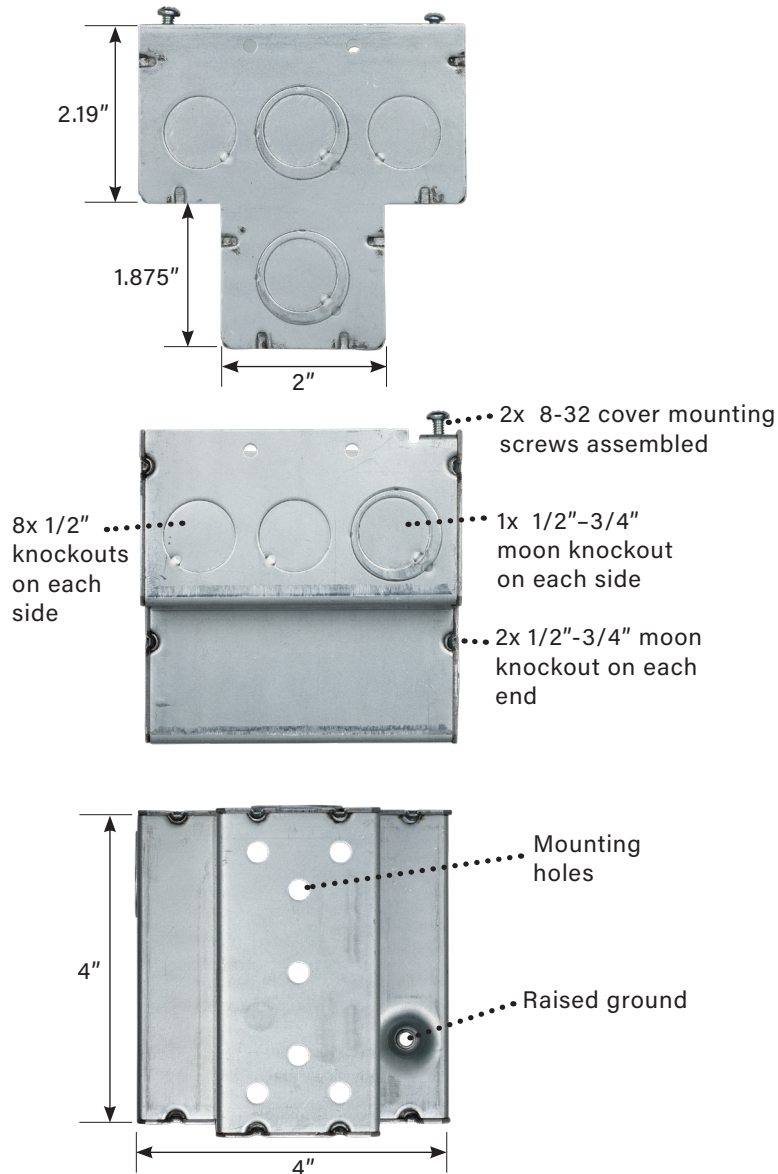

**Easier wire
pulls**

4" T Box

43 cu.in. capacity

The patented labor-savings T Box™ offers all these advantages

- Conduit runs straight into the box for easier to pull wire.
- Suitable for use without a bonding jumper in circuits up to 600 volts
- Welded pre-galvanized steel design for strength and ease of use
- Flat design allows for prefab sections to ship effortlessly to job site.
- Tested in accordance with UL 514-A and CSA C22.2 No. 18.I standard for metallic outlet boxes
