

Winnie Industries

MANUFACTURER OF FASTENING SUPPORTS

J Hook

Cable management solutions for data centers, connected buildings and other commercial network cable pathways

- Heavy duty pre-galvanized steel
- Smooth rounded edges for the proper bend radius of cables
- Provides support in the distribution of wire & cable bundles
- Designed for category cable, low-voltage wire, coax, innerduct and flexible conduit & tubing
- Complies with NEC® and TIA/EIA requirements for structured cabling

[Fully versatile J Hook solution with 14 interchangeable fasteners and support brackets]

[Ready to use out of the box, saving installation time and labor]

[Available in multiple color options to aid in the identification & organization of the pathway application]

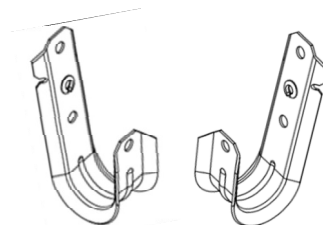

[Non-continuous supports may not exceed spacing of 5' per TIA 569-C.9.7]
